MEMORANDUM FOR THE DIRECTOR

1. This memorandum is for information only.
2. Senator Symington on ABC's "Issues and Answers" yesterday (Sunday, 20 August 1961), said that intelligence has improved since 1958-59. He said that Congressional committees received under oath information that was different from that made publicly by intelligence officials.
3. Symington's comments were cut off by the end of the program. I am getting an extract of so much of the telecast as pertains to the remarks on intelligence.
